## Welcome to St. Francis Xavier Catholic School

Dear Parents:

Welcome to St. Francis Xavier Catholic School! As we begin this year, let us reflect on the reasons for selecting a Catholic school for your children. These will be many and varied, but it is hoped that primarily the choice was made to insure your child of a sound Catholic education rooted in Gospel values. A challenging and rigorous academic program designed to meet the needs of each student and a faculty dedicated to the principles of a Catholic education will help in attaining this goal.

The faculty, staff, and administration at St. Francis Xavier Catholic School look forward to a rewarding school year.

This policy handbook has been prepared so that parents/guardians and students may become familiar with the policies and procedures of the school in order to obtain the greatest benefits from the experience of attending St. Francis Xavier Catholic School.

**It is required that you, the parents/guardians, carefully read and discuss the contents of this handbook with your child/children. After you have done so, and you and your child/children agree to comply with the policies and procedures set forth in this handbook, please sign and date the Notice of Receipt and verification at the end of the handbook**

- All children are capable of learning, they need academic standards that are challenging, attainable, and reflective of current trends in education and technology.
- Students’ individual learning needs and differences, as well as their accomplishments, must be acknowledged and recognized.
- School, home, and parish must play an interactive, mutually-supportive role in fostering children’s growth and development.

The St. Francis Xavier Catholic School Code of Conduct is based on the belief that instruction should occur in an environment conducive to learning. The philosophical basis for the Code of Conduct is that each student assumes responsibility for his/her actions. However, effective education requires that the administration, faculty, parents, and students work together in a spirit of cooperation.

The general expectation of students is that at all times each student will conduct himself/herself in a manner expected of a student who attends St. Francis Xavier Catholic School. Christian values must be the guiding principles of each student's behavior. Respect for authority, fellow students, school property, and the property of others is required for the maintenance of order. Students who display inappropriate conduct negatively affect other students, waste valuable teaching and learning time, and show a lack of appreciation for the sacrifices being made for their education.

The Code of Conduct is divided into three levels: minor, intermediate, and flagrant offenses. Each level includes disciplinary consequences that are implemented by the administration. **The Code of Conduct is enforceable at school-related functions whether on or off campus. ## **THREATS AND VIOLENCE**

It is the desire and expectation of every administrator, teacher, parent, and student that all will be safe in our schools. The Catholic teaching of respect for the dignity of each person because he/she is made in the image and likeness of God provides the basis for who we are. It is important that this teaching permeates the Catholic school community.

However, there are times when some fail to measure up to this standard and we need to act accordingly. All threats of violence that are verified will be taken seriously. A threat is an expression of intent to cause physical or mental harm regardless of whether the person communicating the threat has the present ability to carry out the threat and regardless of whether the threat is conditional or future. Threatening behavior consisting of words or deeds that are intended to intimidate anyone in the school community is strictly forbidden.

If a student makes a threat, the principal, at their discretion may suspend/expel the student from school immediately and on a first offense. If suspended, the student may be required to receive psychological assessment and counseling and, if required, the student may return only if he/she presents a written recommendation to that effect from the psychologist/psychiatrist and the administration is willing to have the student return to school. A reinstatement conference should take place with the parent and student. Parents should be notified in writing that a second offense will result in further disciplinary actions up to and including expulsion.

If the administrator has reason to believe that a crime has been committed, the police may be called.

## **SEXUAL HARASSMENT POLICY**

Catholic teaching recognizes that we are each made in the image and likeness of God and that we treat each person with dignity and respect. Faculty and students alike should model this teaching.

Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other inappropriate oral, written, or physical conduct of a sexual nature. Sexual harassment, as defined above, may include but is not limited to the following:

- Verbal or written harassment or abuse of a sexual nature
- Pressure for sexual activity
- Repeated remarks of a sexual nature to a person, accompanied by implied or explicit threats

Any student who alleges sexual harassment by another student should bring this matter to the attention of the principal, and his or her parents/guardians, teachers, and guidance counselor. The principal will ultimately investigate the incident. In determining whether alleged conduct constitutes sexual harassment, the totality of the circumstances, the nature of the conduct and the context in which the alleged conduct occurred will be investigated.

A substantiated charge of sexual harassment against a student shall subject that student to disciplinary action, which may include but not be limited to suspension or expulsion immediately and on a first offense. The police may be called.

## **INSPECTIONS & SEARCHES OF PERSONAL EFFECTS, LOCKERS AND DESKS**

The health, safety, and welfare of students, faculty, administrators, staff, and volunteer personnel is an extremely important consideration for St. Francis Xavier Catholic School. Accordingly, there will be occasions when a student's personal effects, desk, and/or locker will need to be examined to ensure that health, safety, and welfare is maintained. The principal may direct non-discriminatory inspections of lockers, desks, and personal effects of the entire school or recognizable segments of the school, such as a particular grade or grades. The primary purpose of such inspections is to ensure that contraband items and items detrimental to health, safety, and welfare are not within the school premises. Contraband is defined as items and materials that the student is prohibited to possess as a matter of federal or state law as well as items and materials prohibited by school regulations, such as gum, medications, flammable liquids, etc. Although the primary purpose of these inspections is health, safety, and welfare, students will be subject to disciplinary action upon discovery of contraband during the inspection. Additionally, upon reasonable suspicion that a student or students committed offenses of the Code of Conduct or committed violations of federal or state criminal statutes, the principal may direct a search of the personal effects, desk, or locker of the students concerned when there is reasonable suspicion that the instrumentalities of the offense, the fruits of the offense, or contraband items relating to the offense would be found therein.

## Health

If a student becomes ill at school and needs to go home, parents will be contacted. In case of an emergency or accident, the school will proceed according to the parent instructions in the "School Emergency Medical Form." Whenever a child has a communicable disease, the school office should be notified so that health records may be updated. When returning to school, the child must return with a signed note from the doctor and present it to the school office. Periodic school screening and exams may be conducted per Lee County and Florida State Health Regulations.

**ALL MEDICATIONS** are to be brought to the office and a prescription form filled out by the parent and a doctor or a non-prescription form filled out by the parent before any medication can be given to the student. This includes cough drops and throat lozenges. **NO MEDICATION CAN BE CARRIED BY A STUDENT AT ANY TIME.** (Exception – epi-pens may be carried for extreme allergic reactions; emergency inhalers may be carried if a signed order by the doctor is on file in the school office.) Medication should be administered at home if at all possible. Medications must be in its original container with the student's name, required dosage, time to be given, duration of treatment and side effects. Permission of the parent/guardian for the administration of medications must be in writing prior to the first dose.

**NO STUDENT WILL BE ALLOWED IN SCHOOL WITH A RASH.** The student may return to school when the rash has cleared or if a physician's note for school attendance for a non-contagious rash is given to the school office. When a child is sent to the office, his/her temperature is taken. If the child has a fever of 100 degrees Fahrenheit or above or if the child is vomiting or having diarrhea, parents will be notified and asked to take their child home. The child should be symptom free for 24 hours before returning to school.

If a student is to be excused from "PE" (Physical Education classes) or recess, a note is required from the parent. **IF THE STUDENT WILL BE OUT OF THESE ACTIVITIES FOR MORE THAN THREE (3) DAYS, A NOTE FROM THE PHYSICIAN IS REQUIRED.**

St. Francis Xavier Catholic School uses as a guideline the policies and implementation of such policies of the Lee County Health Department.

## Clinic

The school clinic is used to help provide minor medical care and assistance to students who have minor medical issues while they are in school. Any medical emergency that occurs during the school day will be handled by school personnel calling 911 and parent/guardian notification immediately. All medications will be stored in the clinic and dispersed according to school policy.

## Insurance

Student accident insurance is provided for students. Policies have limited benefits and are supplementary to any other insurance in force. Claim forms may be obtained from the school office.

## **Policy Regarding Child Abuse**

According to law, the school is required to report any **SUSPECTED** case of child abuse or neglect, even if there is no definite proof to the proper authorities.

### **HEAD LICE**

#### **School District of Lee County Health Services Pediculosis (Head Lice)Policy:**

Pediculosis (head lice) rarely cause direct harm, are not known to transmit infectious disease, are not contagious and therefore should not be considered a medical or public health problem. Head lice are usually transmitted by direct contact with infected persons' hair, but may be transferred with shared combs, hats or hair accessories.

It is the policy of the School District of Lee County to control the spread of pediculosis among school-age children with minimal interruption of the learning process. Screening for pediculosis is necessary only when infestation of live lice or nits is identified on an individual student or at the request of the school principal.

#### **Procedure**

- When there is suspicion of infestation on an individual student, he/she should be sent to the clinic for inspection.
- If live lice or nits are found, the child's parents will be notified of the suspected infestation. The child should be picked up from school as soon as possible and is not to return to school until the hair is treated and all nits are removed.
- If live lice or nits were found on the student, a screening of the entire class should be done. If live lice or nits are found on any classmate, their parents will also be contacted to take the child home as soon as possible.
- Prior to returning to school, the student should be re-inspected. He/she should not be allowed to return to the classroom until all live lice and nits have been removed from the hair.

#### **RE-ADMISSION TO SCHOOL**

Students should be free of all nits and head lice prior to being re-admitted to the classroom. An inspection by clinic staff may be required.

#### **PREVENTION**

Head lice can be picked up anywhere in the community if there is direct contact with an infected person or his/her combs, brushes, hats, hair ribbons, scarves, etc. Shared pillowcases or towels can also be a source. Check your children frequently. Be aware of who their playmates are, whose homes they visit and who visits your home. Consider notifying your child's playmate's parents. Remember, anyone can get lice.

## **Media Center/Learning Commons Library Section**

### **The Annette Unger Learning Commons Library Section**

The media center serves as a school-wide resource center ensuring that our students and staff are effective users of ideas and information. It provides intellectual and physical access to information, provides instruction to develop information literacy skills, and encourages interest in reading for a purpose as well as for life-long enjoyment. It offers assistance in selecting and using various print and non-print formats along with electronic technologies for learning. The media center houses almost 25,000 items.

### **Library Section**

- Reference books do not circulate on loan but may be requested for classroom use by teachers and for special assignments.
- Any book that is lost, damaged or defaced is to be replaced or paid for by the student. If the lost book should be found, the money paid to replace it will not be refunded; the book will then belong to the family who paid for it.
- A book may be renewed for one week if it has no holds and must first be brought back to the circulation desk for loan renewal.
- While there are no fines for overdue books, a student cannot borrow additional books until the overdue ones are returned.

## **National Junior Honor Society**

We are privileged to be a charter member of the National Junior Honor Society. Seventh and eighth grade students are recommended by their teachers for outstanding academic achievement, conduct, and citizenship. Please refer to the school website for more details on this society.

## **Home and School Association**

The education of your child is a cooperative enterprise. Close cooperation and understanding between the home and the school are most important. The Home and School Association of St. Francis Xavier Catholic School strives to achieve this. All parents and guardians should be willing, when able, to assist actively in the promotion of all works undertaken for the welfare of the students. This group is a voluntary and great way to get involved in school events and help to strengthen our community. Please contact the main office to find out how you can get involved.

## **School Board**

The School Board of St. Francis Xavier Catholic School works in conjunction with the pastor and school administration to ensure a sound education program at St. Francis Xavier Catholic School. The School Board is made up of the pastor or administrator of St. Francis Xavier Parish, up to nine nominated representatives who serve a three-year term, and one representative appointed for a one-year term. Parish representation is taken into consideration.

The School Board is a consultative, advisory body to the administration of St. Francis Xavier Catholic School. The board also advises school administration regarding the adequacy of school policies and effectiveness of their implementations, long range planning, and the support of local policies.

## **Safety Patrol Program**

The safety patrol members are chosen from the Middle School. Their duties include assisting teachers in the parking lot in the morning and walking students to class. Being a member of the safety patrol is a privilege and will be treated as such by the administration.

## **Cafeteria Lunch Program**

## **Counseling**

St. Francis Xavier Catholic School provides a school guidance counselor who can assist with the learning process and provide a nurturing and supportive environment for students through group and individual guidance. The Guidance Counselor is available to meet with parents at their discretion. Please feel free to contact the Guidance Counselor through the main office or through e-mail.

## **Resource Program**

The Resource program at St. Francis Xavier Catholic School is designed to address the needs of students with varying learning abilities as identified by a psycho-educational assessment administered by a licensed school psychologist. Services are provided for students who are at risk as well as those who have been identified as needing enrichment.

The program for at-risk students is a collaborative-consultative model that encourages and forms alliances among parents, teachers, and students. This partnership promotes the understanding of each student's strengths and weaknesses. Learning strategies, accommodations, and modifications (if necessary), are provided through a learning support document. Once this document is established, it is reviewed within each semester for the students. The resource coordinator, classroom teacher and parent work together to design programs to meet the needs of students who require support.

Testing services may be recommended by the Resource coordinator when a more detailed picture of the student's strengths and weaknesses is considered necessary. A list of agencies that provide testing is available through the Resource Department.

## **School Liturgy**

The celebration of liturgies plays a vital part in the life of the students of St. Francis Xavier Catholic School. "A fully Christian life cannot be conceived without participation in the liturgical services in which the faithful, gathered into a single assembly, celebrate the paschal mystery." Students will celebrate the liturgy together on Holy Days of Obligation when school is in session by attending a St. Francis Xavier Parish mass.

During the school year, Grades 1-8 will attend the 8:15 parish liturgy once per week. These celebrations are intended to encourage your child's active participation in the Sacred Liturgy. Parents or guardians are encouraged to attend these liturgies, especially when their child's class attends.

Throughout the year, there will be opportunities for students in Grades 2-8 to participate in the Sacrament of Reconciliation.

## **Guidelines for the receiving of communion.**

**For Catholics:** As Catholics, we fully participate in the celebration of the Eucharist when we receive Holy Communion. Catholics that have received the sacrament of the Eucharist are encouraged to receive. We are encouraged to receive communion devoutly and frequently. In order to be properly disposed to receive communion, participants should not be conscious of grave sin and normally should have fasted for one hour. A person who is conscious of grave sin is not to receive the Body and Blood of the Lord without prior sacramental confession except for a grave reason where there is no opportunity for confession. In this case, the person is to be mindful of the obligation to make an act of perfect contrition, including the intention of confessing as soon as possible (Code of Canon Law, Canon 916).

**For Those Not Receiving Holy Communion:** All who are not receiving Holy Communion are encouraged to come forward for a blessing.

## **Parents On Patrol**

The Parents-On-Patrol (mothers and fathers or guardians) are in the parking lot each morning, volunteering their time to ensure the safety of all the school children. We ask you to cooperate with our wonderful volunteers. Volunteers are always needed for this very important program. Please contact the school office to volunteer for AM carline.

## **P.E. Uniforms**

All students in Grades 4-8 are required to wear a physical education uniform, sneakers and white socks. These are to be taken home at the end of each week to be laundered. The PE uniforms (shorts and shirts) are to be purchased at Renegades Sportswear. All articles of clothing should be marked with the student's name in indelible ink.

## **Extra Curricular Activities**

Extra-curricular activities are a great extra-curricular activity for our students to get involved in. Athletics are available to students in grades 5-8. Our school offers Boys and Girls Volleyball, Boys and Girls Cross-Country, Boys and Girls Soccer, and Boys and Girls Basketball. Tryout are conducting at the discretion of the Athletic Director and cuts may be necessary in some sports depending on available space. A wide range of other extra-curricular activities are available as well.

Students are held to the same standards in the Parent-Student Handbook while representing St.

Francis Xavier Catholic School during athletics and extra-curricular activities. Athletics and extra-curricular activities are a privilege. An Extra-Curricular Eligibility Contract must be signed by all participants. The Administration may alter the status of any student at their discretion.

# Heitman Street Transportation By Car – AM and PM

Heitman street morning and afternoon procedures:

1. **If you are coming from Victoria Avenue**, enter the driveway by the back of the church. **If you are coming from Martin Luther King Blvd.**, enter the driveway in front of the parish hall. Form two lines and drive to the drop-off area.
2. **For morning drop-off\***, children will exit cars after the three-whistle signal and proceed to the center of the parking lot. They are then to cross the street at the crossing guard and enter the school. Do not let children out of the car until the Parent-on-Patrol or staff member blows the whistle three times.
3. **For afternoon pick-up\***, children will go to their cars after the three-whistle signal. The signal to depart from the parking lot (two whistles) will not be given until the children and parents or guardians are in their cars and give the thumbs-up signal to the staff member directing traffic. Please note that the car lanes will be directed to exit the lot as shown on the above diagram.

**\*Note:** A blue line has been painted on both the church side and parish hall side of the Heitman Street parking lot. Please wait until your car has moved up past this line before unloading

children in the morning or loading children into your car in the afternoon.

Cottage street morning and afternoon procedures:

This car line is for Grades 6-8 students and their carpools only. All other carpools must use the Heitman Street car line.

**Morning Drop-off (Grades 6-8 & carpools)**

The first car in line should pull up to the short post near the sidewalk by the gym building. Cars in line from that post to the first blue house may unload students at one time. For safety reasons, students must exit cars onto the sidewalk, never onto Cottage Street. After all student passengers have exited their car, the driver may carefully pull away and continue down Cottage Street toward Victoria Avenue. The next line of cars then pulls up to the short post.

**Afternoon Pick-up (Grades 6-8 & carpools)**

Please display in your windshield the name(s) of all students you're picking up. As cars pull up, the teacher or staff person on duty will call out these names to the waiting students. The first car in line must pull all the way up to the second driveway by the St. Francis Villa (beyond our gym building). This allows more cars to line up on Cottage Street from Martin Luther King Blvd. where there is usually very heavy afternoon traffic. When students hear their name(s), they walk down the sidewalk to their car. Please continue to pull up toward the second driveway of the Villa and your carpool will walk up to meet you. We must keep the traffic flow moving off of MLK and onto Cottage Street.

Cottage street rainy day dismissal:

If there is lightning at dismissal time, Cottage Street carpools will be dismissed from inside the gym through the door leading onto Cottage Street. After the teacher or staff person on duty has called your carpool name(s), please continue to pull up to the second driveway by the Villa. Your carpool student(s) will walk up to meet you.
